Dear Ingrid

Thanks for the plans. The side elevations are not clear and have been cut off on the scanned document. Would you please resubmit the side elevations?

Thanks

Peter Barnett

Dear Mr Barnett

Further to our conversation on Tuesday, please find attached a revised copy of the plans showing the crown roof around the dormer inline with the rest of the roof coming up from the right.

Please could you let me know that the plans are sufficient and that you can give me your approval.

Many thanks

Kind regards

Ingrid Watts
