For the attention of the Development Management Section
Dear Sir,
With reference to the planning application AWDM/0432/22 for the trimming of trees in group G1 at 6 Spinnals Grove Southwick. I would like to propose that the planning application is extended to include the trees in group G2 to trim to the same level so that all the trees in the area are kept in line and managed collectively. The Trees in group 2 are only of reference to 6 Spinnals Grove which I am the owner and occupier. If it is not possible to extend this application to cover the trees in the G2 group then please advise.

Kind Regards
Andrew Myers
