ADUR FURNITURE NETWORK 378-380 BRIGHTON ROAD SHOREHAM-BY-SEA BN43 6RE
NEW SHOP WINDOWS

Access statement

Adur Furniture Network is a charity with four full time employees and fifteen volunteers. Some of the volunteers are disabled and the charity provides them with the first stage to obtaining employment.

The new entrance to the shop will have a 1.000 metre clear width door and level access to allow wheelchair access.

The door will be finished in a contrasting colour and tone to assist visually impaired customers and employees.

The new windows will allow a better presentation of the donated furniture and increase re-cycling of the furniture.

The new shop front will improve the visual and physical comfort for volunteers and employees working in the shop.
