Comments:
Mr Barnes-Moss, I would like to register my objection to this application. I consider the mature Monterey Cypress trees to be a key and attractice feature of this area and must be preserved. Has your office exhausted looking into all other options? If the motivation behind felling one of these trees is to reduce interferance with 11 Furze Road, could this be achieved by lopping some of the boughs that are nearest to the property..? I hope you are able to take these views on before makeing your decision.
