Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking

Comments: I object to the inpost parcel lockers as I have seen them causing issues with road blockages and traffic issues. This is a busy main road into Shoreham by Sea and I have seen parcel vans stopping on the yellow lines and parking on the pavement which causes traffic to build up. There is often standing traffic on the south bound side of this road, delivery vans are causing complete road blockages at times.

Also parking on the pavement causes issues to pedestrians especially those with childrens buggies/pushchairs and wheelchair/disabled users.

One of my neighbours with limited mobility uses this path to access the riverfront path and this is his only route which has been blocked to him multiple times already.

Kind regards
