WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0726/23 - 15 SURREY STREET WORTHING WEST SUSSEX BN11 3BY

Replace the existing French windows with a door and window set. Construct a platform and ramp within the rear communal garden, to provide wheelchair access between Flat 15 and the wider community. |

Thank you for requesting our comments on the above-mentioned application. Although the building is within the Marine Parade and Hinterland Conservation Area (CA), it is relatively modern in character and is not on the Statutory or Local Interest List.

The changes, which are at the rear of the property, would not seem to be detrimental to the character of the CA.

I am pleased to advise you, therefore, that we have no objection to the application.

Yours sincerely,

Yours sincerely,
