Reasons for comment:	
Comments:	After viewing plans & speaking with reps of the Marquis.The benefits will enhance Sompting with a new improved social venue. Residents do not have public transport access to Worthing other areas Sundays/Bank holidays or after 6pm weekdays, those with no cars are greatly restricted, causing loneliness, isolation. Upgrading this facility which includes disabled toilet, lift to the rear garden can only be beneficial. Siting a wooden barn type construction in rear garden will reduce noise, compared to the original marquee.
