Reasons for comment:	
Comments:	Following a consultation with an open day at the Marquis public house regarding plans as applied for and also a facelift for the building etc, as a local and past visitor to the pub, I fully support this application. As a Sompting resident and a member of Sompting Big Local I fully believe the Marquis can become a focal community point for the village allowing a nice comfortable and safe place for all young people and their families along with older residents to meet and enjoy a coffee,meal etc and communicate with others from the area and beyond.
