Dear Sir

I write regarding the property at 111 Old Fort Road and the proposals attached to it.

I veamently oppose these proposals for the following reasons:

- I have seen the drawings and the final project will overlook my garden, extension and conservatory.
- We will have no privacy at all in our back garden with the residents at 111 Old Fort Road being able to look directly into our garden.
- I spend many hours in the garden at the moment, it is quite secluded. This privacy will be taken away from us.
- Our extension is used as a lounge and I do not want neighbours being able to look directly in on us if the blinds are not closed.
- I am a registered paraplegic and spent a lot of time and money purchasing the right property when I was made disabled 10 years ago. We have also spent a lot of time and money getting the property suitable for my restricted living ability with the privacy of not being overlooked by neighbours. We are extremely upset that this time may have been wasted if this proposal goes ahead.

My wife and I strongly oppose to these plans and wish you to take our considerations into account.

Yours faithfully
