Dear Sir/Madam

Ref: Planning Application for Installation of 6kw Wind Turbine at 37 Chartwell Road AWDM/0852/13

We are in receipt of your letter dated 23rd October regarding the above application and whilst we do not have any objection to the visual appearance of the wind turbine we are concerned about the potential noise levels once it has been installed.

This is due to the fact that there is already one wind turbine in Chartwell Road and during times of high wind it is extremely noisy.

If a noise assessment has been carried out for the proposed turbine and it is deemed that the levels are within acceptable limits then we would have no objection to this application.

Yours faithfully
Parker & Highland Joinery Ltd
