EZONE Industrial Wall Mounted Extractor Fan 12" Quiet Commercial Ventilation+Speed Ctr

- Industrial Fan with 6A Speed Controller 230V 50/60Hz (CE Marked)
- Square Frame Axial Fan. Blade Size 300mm
- Air Flow 1650 m3/h. Speed 1350 rpm
- Ideal for Air Ventilation in Restaurants/Takeaways, Warehouses & Factories
- Must be Installed by a Qualified Electrician

Technical Specifications:

- Blade Size (mm): 300
- Air Flow (m3/h): 1650
- Voltage: 230V/50Hz
- Power (W): 90
- Speed (rpm): 1350
- Operating temp. range: -30C~+60C
- Motor Ingress Protection: IP54
- Motor overheat protection: Thermal overload
- Material: Mild steel with powder coat finish
- Colour: Black
- Speed control: Via variable voltage speed controller
- Ball bearing: Maintenance-free
