Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Other
- Overdevelopment

Comments: We have previously received no notification from YOU re this - we suggest this does not therefore comply with planning regulations.
We had a letter from BHA in January to which we e-mailed a .reply which was to be sent by them to you but we suspect it has not!!!!

This intensification of this use was always on the cards and will only increase our fears of local flooding as more ground is covered

Adur D C cannot ignore this
