AWDM/1404/13

20th April 2015.

Ref. Extension to 9 Hamilton Road.

The owners of No 9 approached us late last year. regarding an extension they were planing.

We gave permission on the understanding that it would not shade our gorden.

Now our gorden has been shaded by a good Quarter.

We are very disapointed to say the least, and would like to make this known.

Yours
