| **Reasons for comment:** | - Other |
| **Comments:** | I support an established and interesting business to move into the vacant shop that could fall into the hideous disrepair of their next door neighbour. I'm sure that with the low number of clients the parking outside shouldn't be a problem although I often have someone that parks over my drive even though there is enough room for 3 cars to park outside my house. White lines would be a bonus to avoid this! |
