Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	I oppose this application due to The loss of privacy and noise There have been no applications of this type in Albert Road that I am aware of, i.e. no precedence for this road The gardens are small and the annexe would be out of character for this area

I am unaware of any planning policy with regard to the conservation area in Southwick and whether this application would be approved or denied within the policy
