Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Other

Comments: As the owner of the adjoining attached bungalow, I fully support this application.

Because the demolition proposal makes no material change to how the new property will appear, I would ask that the application approval be expedited. This will reduce disruption and ensure the work continues to avoid the site being derelict for longer than necessary.

The applicant and their contractor have been considerate and communicative throughout this process. I'm happy to support this application without reservation.

Kind regards
