Dear Louise,

RE: **AWDM/1283/24 - Merriman Grange 102 Warren Road Worthing West Sussex**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the approval of details reserved by Condition 19 (Drainage Verification) of approved application AWDM/1157/21. The application is to Worthing Borough Council.

Following a review of the submitted information, we have noted minor changes in the as built drainage drawing. However, these will not change the functionality of the system. Therefore, **we would recommend the discharge of Condition 19**.

Yours sincerely,

Sustainable Water Management Officer
