Dear [redacted]

AWDM/0624/23 – FLAT 1, 13 HEENE TERRACE, WORTHING, WEST SUSSEX BN11 3NR

Replacement of existing steel fire escape with new 'like for like' staircase, fire escape to North elevation (Flats 1-6).

Thank you for requesting our comments on the aforementioned Planning Application which relates to a Grade II Listed Building within the Marine Parade and Hinterland Conservation Area.

Although the application is somewhat outside our remit we have no objection, in principle, to the works. However, we suggest that in view of the status of the building, the guidance of the Design and Conservation Officer would be appropriate.

I hope this is helpful.

Yours sincerely,

[redacted]

Cc: [redacted] Design and Conservation Architect.
