Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	I see that more plans have been submitted for the property at 105 south farm rd for outdoor seating how can this happen when we have not had a discussion on the licence as yet I'm not happy about outside seating as this will cause more noise which as a neighbouring resident which will not be getting anti noise protection installed I will not be able to rest in my own home. They will also be playing music which I will be able to hear as these are old buildings and you can hear everything.

The times they are wanting to be open 8am- 10pm seems rather a long time to have that drinking type of people in a residential area plus we have a school next to us and they want to sell takeaway cans not appropriate

Kind regards
