Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	The proposed plans for this area of land are completely unsuitable for the local environment. In addition, the proposed use of animals for entertainment is abhorrent. Parking would be a complete nightmare on this stretch of road between Goring and Ferring and there would be a significant danger to the safety of children possibly attracted to the site. Overnight parking and camping are already prohibited and I see no reason to relax this. A beautiful, quiet and peaceful area of open green space would be blighted by this preposterous plan

Kind regards
