I object to this application as Goring Gap needs to be retained as a Green Space between Ferring and Goring. These plans would be the start of losing the open green space, to residents and to wildlife. There is no need for a 'Community Green Space' and sandpit when there is a beach and Greensward for everyone to enjoy. Shipping containers and toilet blocks are an eyesore on what should be a beautiful natural space.

It is not the right place for a campsite - the area is busy enough on nice days with cars parked all along from Sea Lane Cafe to the end of Pattersons walk.
