Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment
Comments:	I believe allowing this will be in contravention of our local plan. Goring Gap needs to remain as a wildlife site. The development would cause even more chaos to a road that already struggles in the summer months with access for locals and emergency vehicles. Alcohol sales, music and overnight camping and will I believe cause excessive noise and perhaps encourage more illegal overnight campers parking on the road. I believe that the owner will try and say anything he can to eventually get planning for his original wish of housing on the land. He clearly holds the local residents and Council in disregard as he

is already using the site which is an absolute eyesore. He has rejected a plan for local residents to purchase the land to keep it as a natural space, Why? Worthing already has some of the least green space per person. Please keep our Gap Green.
