Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The area is already a very beautiful natural resource/habitat for birds/animals and people to enjoy adjacent to the wonderful family Ferring beach area. It does not need any leisure type facilities or any disturbance that will detract from its natural peaceful beauty or have a detrimental effect on the beach/general area from noise/vehicle pollution or any other human environmental negative deed, nor should there be any overnight camping/caravan permission as this will only attract additional unwanted campers/caravans.

Kind regards
