Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Privacy Light and Noise
Comments:	I object to this development because the people who actually live here, don't want it. We moved here because the beach wasn't commercialised. It was quiet and peaceful. If we'd wanted entertainment we'd have moved to Worthing or some such place. I also think it's highly likely to be dangerous for children crossing the road or indeed adults to get to and from the beach. It's a threat to wildlife and noise will disturb the wildlife and residents.
