Reasons for comment:	- Trees and Landscaping
Comments:	I feel that the planned crown lift of up to 6 metres is too excessive and will ruin the shape/canopy of this tree. I would like planning to consider restricting this to 3 metres. I fully understand the need for a crown lift and the benefits to this tree and wholly agree that it is a requirement. I also understand that budgeting restrictions don't allow for as much tree care as would be preferable. But please, please don't be so excessive in the crown lift and "scalp" this beautiful tree, it is not needed and would really ruin it.

Kind regards
