Application Summary

Address:	Land South East Corner Of Amberley Drive Marine Drive Worthing West Sussex
Proposal:	Commercial use of regenerated land, including use as a community green space for recreational and leisure use. Retention of land for biodiversity use. Bore hole for extraction of natural water. Use of land to produce natural green energy, for example solar. Provision of vehicle parking use (including overnight camping use for kite surfers and sea swimmers), 2 x 6m flag poles, provision of food and drink from temporary structures, mobile toilets, shower and baby changing facilities. Two recessed shipping containers for site storage and use. Tree shaded sandpit and tumble-down mound for young children and toddlers to use. Animals to use for entertainment purposes, for example Shetland ponies. A decorative flowerpot boat at site entrance. Bin storage use. A wheeled advertising trailer, measuring approx. 5 metres by 2.5 metres located within the site boundary to promote Worthing, local events and tourism.
Case Officer:	Gary Peck

Comments:	We moved to this area for the sense of community with neighbors as well as the quiet and peacefulness. We can often hear the Sports Fields from our home, and I do not relish having additional sources of noise. While thought has been given to many potential issues, the biggest ones I believe will be the noise and the congestion, and there are no ways to mitigate these. The area in question and the roads to it are already very busy with cars and having an attraction such as being requested would only increase this traffic. The greens area between the road and sea is peaceful for walkers, runners and dogs, and toilet facilities already exist on the eastern end of this area. Additional activity will make this less attractive for those of us who live in this area. I do not believe this proposal should be approved.

Kind regards
