Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	The property in question was formerly a business causing noise and traffic problems Mon-Fri 7-5pm. The proposed conversion would be a disturbance 24/7/365 days of the year with a possible 6 adults and/or children with a possible 6 extra cars using an already clogged road due to the close proximity to the beach, the driveway of the property runs directly in front of my door and the skylight in the property looks directly into my bedroom window, therefore I object on the grounds of noise, loss of privacy and traffic and parking reasons.
