Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Parking in Overmead is already very difficult and turning off the road onto Mill Lane in a dangerous with passing cars driving way too fast. I have two small children and crossing from Overmead to Oxen Avenue is stressful with a restricted view due to parked cars, which would only get worse with the construction of the new flats. Overmead is already over crowded and the additional flats would making parking for existing residents impossible at times.

Kind regards
