Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I believe this development will restrict visibility for vehicles leaving Overmead on an already dangerous junction. I am also concerned about the extra cars from the two flats, and the knock-on effect of the loss of general street parking caused by the dropped kerb for this development. This will potentially have a domino effect, encouraging more residents of Overmead to resort to off street parking and the loss of planted environment.

Kind regards
