Re: AWDM/0187/17

Dear Mrs Crease,

Replacement Patio Doors to Bi-Fold. 16 The Haven, Brighton Road, Lancing. BN15 8EU.

We are the managing agents acting on behalf of The Haven (Lancing) Management Company.

It has been brought to our attention that the leaseholder of Flat 16 The Haven has made a retrospective planning application to change the balcony doors from 2 sliding to bi-fold doors.

The Freeholder and also the Directors of the Board of the management company have made it known to us that they **object** to the changes as they are not in keeping with the present design of the other balcony doors whereby all other leaseholders who have upgraded their balcony doors have been in keeping with the build design.

As this a retrospective application the doors have already been installed and look out of place as the design is totally unsympathetic to the building and would like lodge this is a formal objection.

Yours sincerely

Ms Lucy Dawe
Managing Director
