Flag Status: Flagged

Good Afternoon,

These photos help thank you.

We would advise that the gate opens into the property and not onto the publicly maintained highway.
We would also advise that if they propose to use the access for vehicular movements than they would be required to apply for a Vehicular Cross Over License from the Highways Area Office
Online applications can be made at the link below, alternatively please call 01243 642105.

The Local Highway Authority (LHA) does not consider that this proposal would have 'severe' impact on the operation of the Highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 109), and that there are no transport grounds to resist the proposal.

Many Thanks

Stephen Garrard
