Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Letter received on 6th May from Sophie Rose, the owner of Oaklands Business Centre suggesting we meet to discuss my letter. I have not written to her so I assume this refers to the objections I raised to the planning application. I understand other neighbours have also been contacted. I was not aware that this is part of the planning process and was surprised to be contacted directly and offered a home visit by the owner.
