Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I am very confused by this application. A permission for this property was granted earlier this year, AWDM/1097/25. This new application is vague and there is no indication what the intention is. Is this a planning application for another cabin? On the original application form it was not indicated whether 'Any trees or hedges need to be removed or pruned' but an answer was not given. This is quite a key question in view of its location.
