Dear Mr Hone
RE 26 Western Close Lancing.

With regards to the new soil pipe it will terminate within the new en-suite with an air admittance valve, the windows withoin the side dormers are to be non-openable unless the vents are above 1.7m above the floor level of the room which the window serves and all are to be fitted with obscured glass. I hope you have sufficient information for your purposes, however if you require any additional information please do not hesitate to contact me on 0790 9966787

Dear Mr Wickham,

RE:ADC/0430/09.

With regards to the above Certificate of Lawfulness.

I would be grateful if you could clarify the proposed height of the new soil stack on the NE side of the bungalow, and that all of the four sets of windows in the proposed dormers will be fixed shut and obscurely glazed.

Your urgent attention to this matter would be greatly appreciated.

Yours sincerely

Carlos Hone.
