Re Planning AWDM/1457/23
Kings Manor 140 Heene Rd

Dear Jo Morin (Development Manager)

I am writing to comment on the above planning proposal:

As the immediate neighbours to the property concerned we commented on the original application and currently have no objections to the amended plan to retain the existing conservatory.

The original plans, however, are not yet completed, specifically the southern area of the property which includes the partially demolished Coach House, this appears neglected and an eyesore, with little evidence of work progressing.

Furthermore we have concerns regarding the quality and standard of ongoing work to our garage wall in context of the original plans on our northern boundary, of which officers are aware.

Yours Sincerely

[redacted]

James Pillow
