Re: Planning for 85 Berridale drive Sompting BN15 0LD

I have spoken with my neighbour and understand he has had a visit from your planning officer in regards to concerns of light being reduced to our rear room.

I have no concerns over this at all and I am unsure why this issue has risen, we don't use this as a bed at this time, and in future we are looking to extend this area to match the existing extension, from what I understand my neighbour was making the footings big enough to allow me to build an extra wall at a later date to form a party wall. Saving my self extra cost of footing along that side.

I have seen the plans and as far as I am concerned I am happy to see the works carried out and have no issues at all.
