Hi Marie,

Thank you for providing details for
the approval of Condition 5 for the
above application.

The Noise Protection Scheme provided
does not address the first part of
our
comments to provide an acoustic
scheme to protect the rooms from
road
traffic noise. The report is not an
acoustic report and for Condition 5
to

be approved, a qualified acoustician is required to show BS8233 2014 compliance.

Kind regards

--
