Comments: I live on the 6th floor of Westmoreland House. When I moved in 4 years ago, my flat was well above the treelines and I had unrestricted views of the Downs and the sea. The treelines now both restrict these views, block out the daylight during the Spring and Summer months and interfere with my TV reception. I believe the situation is a lot worse for those flats beneath me on the Strand Parade side of Westmoreland House. I strongly support cutting back the trees, reducing their height and spread.
