Dear Peter Bennett,

With reference to AWDM/1090/17 I write as the owner of 4 Orchard Close, Shoreham-by-Sea, BN43 5UT to say that even to consider allowing any further vehicles access to the small road that makes up the close, for those already living, driving into and parking there, is unacceptable.

One of the reasons residents choose to live in a close is for the limited amount of traffic. The construction of and access to the rear yard of various flats would redically change the nature of Orchard Close.

I look forward to hearing that the proposal has been denied and the content of this and other correspondence from those, regarding the application, has been respected and upheld.

Sincerely,

Liz Warrington
