To: Jo Morin <jo.morin@adur-worthing.gov.uk>

Hi Jo,

A quick email to say that I met today with Chris (cc-ed).

Chris was helpful setting out the practical implications of the proposed walkway. Whilst my preference would be no further developments, I appreciate there may be NHS and other requirements. On that basis I can live with the walkway as set out in the application.

Thanks once again for all your involvement,
Cliodhna
