Re. Retention of patio doors to replace existing window top floor west elevation.
23 Widewater Court, Kings Crescent, Shoreham-by-Sea, West Sussex.

I am the owner with my husband of a top flat apartment in the same building. I do not know who owns apartment 23.

As requested in your letter regarding the above, I reply with my comments.

My husband and I have no objection to the above providing any modifications made are structurally sound.

Yours sincerely
