Stance: Customer objects to the Planning Application

Reasons for comment: - Other

Comments: Being able to view this 'conservatory' from my lounge windows, I wish to object to the materials being used. White UPVC has been used and this clearly is not in keeping with the area - other occupants have taken their surroundings into consideration and have used wood effect UPVC. I am also concerned that this work has been completed prior to planning permisson being granted. Surely, their agent should be aware than planning permisson is required for such a large project.
