Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Trees and Landscaping

Comments: As the resident of 25 Mile oak Road who's land occupies the tree with the preservation order relating to this application and having read the tree survey report I believe it would be best for the tree with the preservation order to be cut down/ removed given its condition it the report.

If Adur council planning give permission for As quoted " such a diseased tree" to be felled then as the land owner I have no objections.
