Dear Peter
With regard to my phone call this afternoon on 11.9.09. Please take note that I think the first one is not viable in Shoreham, as we have enough pubs, restaurants, cafes. Without adding another, such as a mobile catering unit.
The next, I think to have such hugh masks@Chartwell Road, Lancing is too high. That's my opinion anyway.
Yours truly,
Ann
(Cllr. Ann Terry)
