To Matthew Porter.
Re- Pond Row Surgery.

I wish to express my opposition for an extension to be built at Pond Row Surgery.

The reason is I am elderly & housebound & enjoy what view I have which already limited by the existing Surgery.
I already have lost a lot of light & privacy. One of the Staff told me they could see me in my lounge eating a pea!!!
I have district Nurses regularly to change my dressings in my lounge & we have to sit at the Dining table for extra light.
Sitting in my chair I do see some sky, if you was to go ahead I will only have a brick wall to stare at. & being housebound that would be a disaster for me.
Please can you consider my feelings I do like to look out & see sky.

Yours Sincerely.
