Subject: Re: 386 Brighton Road - Construction Phase Plan

Hi Marie,

It looks ok to me, it covers noise, hours of work, material and waste storage on a compact site. It also looks at pedestrian provisions and site safety.

Michael

This is a live document and gets updated frequently during the Construction Phase in conjunction with the Principle Designer – to follow this are our site specific RAMS which will identify any hazards and subsequently the measures that we as a company will undertake as to ensure so far as is reasonably practicable the minimising of all such identified risks.
