Product Description

The Orion Premier halogen floodlight is ideal for a wide variety of outdoor lighting applications. Rust-proof die cast aluminium construction with tempered glass cover. Directional beam control allows light to be directed where required, reducing the risk of nuisance to neighbouring properties. Asymmetrical reflector ensures that most of the light is directed below the horizontal, helping reduce the effects of light pollution.

Product Features

Height (cm):	25.5
Height (inch):	10.04
Width (cm):	17.5
Width (inch):	6.89
Brand:	IQ
Colour:	Black
Motion Detection:	No
Number of bulbs:	1
Warranty/guarantee:	Warranty
WEEE Requirements;	Lighting Equip
Manuf part no:	BQ-ALP-300-B
Bulb Type:	300W Linear Tungsten Halogen R7s
Energy Efficiency:	D
Hardwired or Plug-In:	Hardwired
Material:	Aluminium
Max bulb wattage:	300
Product Type:	Security Lights
Specific Product Type:	Floodlights
Finish:	Black
