Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	Re the proposed new rear west facing 1st floor Velux opening window. This needs to be of Frosted Glass and Non Opening. When opened it will look directly over our rear garden thus encroaching on our direct privacy. It can be there for natural light to the room or they can make the North facing window Larger. Since we have been living here (30 years) we have seen this site grow from a 2 bed ground floor bungalow to potentially a 4 double bedroom 2 storey house and feel that the plot is now becoming over-developed.

Kind regards
