TOWN & COUNTRY PLANNING ACT 1990

TOWN & COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Application Number ADC/0125/09

Proposed development
Ridge-roofed north side extension and 2m high close-boarded fences on north and south side boundaries

Location of development to which application relates
5 Western Road North Sompting Lancing West Sussex

Comments

The only issue I have with the proposed development is the height of the fences bordering the property. The fence to the South side would have an adverse effect on the outlook from my property which lies less than 20ft. to the West of this development. If this were allowed to go ahead it would completely block the outlook onto the Close from the left of my front door. Also the fence stretching into Northgate Close from the junction of Western Road would have a detrimental effect on the character of the Close.

I wish to speak on the application at the Committee meeting _____Yes/No
