Comments:	I just wanted to say a couple of points in support to the above application. The 3rd 5th Lancing Sea Scouts have been an integral part of the local community for over 60 years, and in that time they have provided much needed local activities for the youth of Lancing and Sompting. During the 60 years, they have been working out of the same hut, which even though lots of refurbishment has taken place, it is now starting to be unfit for purpose, with a risk of it being unusable in the near future (this is my opinion). The benefits of a hut being built on the site would be so great. They would be able to build a hut that supports all in the community, including those that may require additional support to attend the Scouts. Including adults when the hut is used for other community events.

The Scouts will have to fundraise heavily to be able to raise the build cost for the hut, however that said, all grant applications are on the basis that planning has been granted, to the approval of the council to this application is paramount to continue the strong community support that 3rd 5th Lancing Sea Scouts provides.

I would be more than happy to attend any planning meetings if verbal support is required with this application.

Kind regards
